

OUDDPC April 2025

9:59 Start

Went over minutes – approved by M Wilson, J Wooten 2nd

10:10 Roger L –

- Past Bill
- Gave OUDPC History – Talk about working out details
- Like to get 2 or 3 more amendments that have agreed upon Language in HB227
- Have to work on finding common ground
- Work on easy stuff first
- Table if you cant agree
- Keep disagreements behind closed doors
- Represent your specialized interests, but in the end rise above it all for the greater good of the industry and the citizens of Ohio

10:26

Greg ODOT- Disagreement Pavement repairs

10:27

Wooten – Reminds that committee is still open

Greg ODOT- asked about when to talk about exemptions

Roger L – Open to discussion and more meetings if needed

Greg ODOT – offered data from ODOT

Roger L – Talked about Exempting Activities not Entities

Steve – Talked about status of HB and how it proceeds

- like to have it out of House by summer break

Jason B- Talked about Training and the status

Steve – talked about trying to push training out

- to the house by summer break

- Senate by fall

Roger L- Talked about process – after approved it will into effect 90 days after Governor Signs

10:39

Mike Wilson -

Clayton (Kokosing)- asked about

- Update white lining (virtual)
- Having Buffer Zone
- Will It offered through center logix?

Wooten – Talked about describing work area and the use of entire property Vs white lining

Jen R- UTC set precedence on language over white lining

Wooten – Talked about committee discussion

- Size and scope
- Large projects – 1+ miles
- Mandatory meetings
- 1320ft max ticket

Jason B – asked for clarification on terms

- Multi lane
- Divided
- Interstate

Jen R – stressed proper wording in Language (make changes to both 3781 and 153.64 as it pertains to updated language to ensure both read the same)

Jen R – suggested (In regards to large/complex project meetings)

- Timeline should be set with all involved parties
- Need to make a plan if there are scheduling changes in projects and how it affects the process

Wooten – moved to vote for Language review of. Seconded by Patrick Murphy.

18 yes

1 no

Clayton (Kokosing) - Discussed leaving job site for 16 days language

Jana B- Suggested looking at rewording of “leaving the job site” to possibly “actively excavating”

Al- Reword to be “additional excavation” from “additional work”

Clayton motion to vote on language, seconded by Brad S.

21 yes

0 no

Exemptions subcommittee report out. Ensured that focus is on “activities” and not “entities”. Still meeting and discussing.

Next OUDPC meeting date: July 17, 2025
